### PUBLIC WORKS DEPARTMENT,—BENGAL.

#### DISTRICT ROAD FUND.

NOTIFICATION No. 268.

*The 3rd July 1882*

THE following annual accounts and abstracts of the reports of the Road Cess Committees of the districts of Chittagong, Noakhelly, Tipperah, and Chittagong Hill Tracts for the cess year 1880-81, together with the remarks thereon of the Commissioner of the Chittagong Division, are published for general information.

G. F. E. S. NEILL, Major, M.S.C.

*Asst. Secy. to the Govt. of Bengal, P. W. Dept.*

*Abstract of a report by the Chairman of the District Road Cess Committee, Chittagong, on the Committee's operations for the cess year 1880-81.*

THERE were seven meetings held of the Road Cess Committee. No Branch Committee was at work during the year under report, but from the beginning of the current cess year a Branch Committee in Cox Bazar sub-division has been formed with control over local roads.

The general condition of the roads of the district has undergone a thorough change from the substantial repairs executed during the year, and most of them are now passable.

A sum of Rs. 5,000 was allotted for expenditure on village works, of which Rs. 2,034 were made over to the Cox Bazar Sub-divisional Officer for improving the village communications in that part of the district, but hardly any money was spent in that sub-division, and the remainder, Rs. 3,000, was spent on various local lines of communication in the several thanas.

Two miles of Rangpur road have been planted as an experiment, and the trees are well looked after.

The various establishments under the Committee have worked well.

A. MANSON,

*Chairman.*

*Abstract of a report by the Chairman of the District Road Cess Committee, Noakhally, on the Committee's operations for the cess year 1880-81.*

The view taken by the people of the road cess is by no means hostile, and the difficulty in the realization of the cess is decreasing yearly.

The non-official native members of the District Road Committee do not appear to have taken any lively interest in their work. The Branch Committee at Fenny sub-division held six meetings, besides several others at which there was no quorum. Out of 15 members four never attended, two only one, and two attended two meetings only.

Scarcely any expenditure was incurred on village roads during the year, and the system of giving grants to villagers to do the work for themselves, instead of employing contractors for village paths, has not worked well.

Tree-planting has been a complete failure during the year under report. A number of jack trees was sown on the road sides, but none came up. Another experiment must be made this season.

The general condition of the roads is tolerable, but the working of the Committee, so far as improving the district communications, has been an utter failure.

The different establishments under the Committee are reported to have worked well, with the exception of the District Engineer, an overseer, and the store-keeper.

E. F. SANDYS,

*Vice-Chairman.**Abstract of a report by the Chairman of the District Road Cess Committee, Tipperah, on the Committee's operations for the cess year 1880-81.*

THE change of law regarding the realization of cesses has enormously increased the clerical labour in the collection office.

In all, nine meetings of the District Road Cess Committee were held during the year, of which eight were special and one was an ordinary meeting. The attendance of the members of the Road Committee and of the Brahmunberiah Branch Committee was fair, but that of the members of the Chandpur, Muradnagar, and Chowdagram Branch Committees was worse than it was last year.

About 225 miles of village roads and 49 miles of khals or small water-courses have been constructed and improved or maintained by the District Road Cess Committee and the several Branch Committees since their constitution. One thousand and five hundred young trees, chiefly jack and mango, have been newly planted out, and 3,358 trees maintained. There are 1,918 trees in the nursery garden established at Comillah, and orders have been given to plant clumps of trees on all roads for which the Committee cannot yet afford avenues.

With the exception of the District Engineer and an overseer, the several establishments under the Committee have worked well and given satisfaction.

GEO. R. CLARKE,

Vice-Chairman,

District Road Cess Committee, Tipperah.

*Abstract of a report by the Deputy Commissioner of the Chittagong Hill Tracts on the operations for the cess year 1880-81.*

THE Road Cess Act, IX of 1880, has not been introduced into this district. The works are executed with the sanction of the Commissioner under the direction of the Deputy Commissioner and his assistant.

If the construction of the several roads included in the general scheme for roads in the hill tracts be sanctioned, the allotment from provincial reserve for road works in this district should be largely increased in place of the small grant of Rs. 10,000 per annum. It has been recommended in the scheme above alluded to that, as the hill-people pay a nominal tax, they should bear the cost of constructing village roads, and that the cost of survey and alignment only be paid from road fund.

At the commencement of the year there were in existence 100 jack and mangoe plants, and another 100 seedlings were planted during the year, of which 142 are thriving luxuriantly, and a great many of them have grown two to six feet high, the rest have withered and died.

No special working establishment for road works is entertained in the Hill Tracts, and remarks on their working are therefore unnecessary.

L. R. FORBES,

Deputy Commissioner.

No. 127GM, dated Chittagong, the 14th March 1882.

From—E. E. Lewis, Esq., Commissioner of the Chittagong Division,

To—The Secretary to the Government of Bengal, in the Public Works Department.

I HAVE the honour to submit the following annual report on the administration of the district road funds in the districts of the Chittagong Division, for the cess year ending 30th September 1881, and to enclose herein the districts reports and accounts in original, together with a general abstract of the accounts for the whole division.

2. An abstract of particulars regarding the meetings of the district road and branch committees in the Regulation districts of the Chittagong Division during the year under report is also submitted.

3. The provisions of the Road Cess Act have not been in force in the Hill Tracts of Chittagong. There is no committee for the management of the road fund, the administration of which solely rests with the Deputy Commissioner.

4. The committee in Chittagong consisted of five official and ten non-official members, and the average attendance was seven. I was personally present at some meetings, and was glad to find the members taking an active interest in the proceedings.

5. There was no branch committee at work in this district during the year, but from the beginning of the current year a branch committee in the Cox's Bazar sub-division has been formed with control over local roads, and a sub-overseer has been placed under them to carry out the work.

6. The committee in Noakholly consisted of five official and 12 non-official members, and the average attendance was 6.5.

7. There is a branch committee in Noakholly consisting of three official and 12 non-official members, the average attendance being six.

8. The committee in Tipperah consisted of eight official and 13 non-official members, and the average attendance was nine.

9. There are four branch committees in the district of Tipperah, viz. Brahmunberriah, Chandpore, Moradnagar and Chowdagram.

10. All the district and branch committees are said to have taken interest in their work, and their attendance on the whole was good.

11. The total receipts of the division during the year under report on account of the district road fund amounted to Rs. 2,79,112-4. This, together with the unexpended balance (Rs. 2,45,998-2-3½) of the preceding year, including the entries under the heads *advances* and *deposits*, gave an income of Rs. 5,46,618-6-9½ available for expenditure during the cess-year under report.

12. Out of the above income Rs. 3,38,120-3-11 were actually expended, and the unexpended balance remaining at the close of the year amounted to Rs. 2,08,498-3-10½.

13. Like the preceding year a comparatively larger amount was spent in Tipperah on account of original works. The sum expended on account of repairs of road in Chittagong was the heaviest.

14. In Chittagong about two miles of Ramghur road have been planted as an experimental measure with trees. The old roads of the district are mostly narrow and crooked, and to plant trees along them, the Magistrate says, is not desirable until they have been realigned and straightened.

15. The planting of trees in the district of Tipperah has met with success. One thousand and five hundred young trees have been newly planted out, and 3,358 trees maintained. There are 1,918 trees in the Nursery garden established at Comillah.

16. In Noakholly the planting of trees has been a complete failure. The roads in Noakholly are generally so narrow that trees cannot be conveniently planted on both sides of them. Besides the country being flooded, it is necessary to plant the trees on the embanked road if they are to be planted at all.

*Divisional annual account of Income and Expenditure of the District Road Fund of the Chittagong Division for the cess year ending 30th September 1881.*

P. GHOSH, Registrar, Calcutta.

## Notice

IS hereby given that, under the rules passed by the Government of India, and published in the *Calcutta Gazette* of the 8th March 1882, Part I A, pages 60 to 64, the duty on skeleton forms of such instruments as require a one-anna stamp under the Indian Stamp Act, I of 1879, will be denoted in this office by a coloured impression, if presented accompanied by a certificate signed by a Government treasury officer of the payment of the requisite amount of duty.

W. H. RYLAND, Offg. Sdnt. of Stamps.  
Stamp Office, Calcutta, the 26th June 1882.

## Notice.

THE Public are hereby informed that the well-known Kartick Baruni Mela, which is held every year on the banks of the Phaleshwari, near Monshugunge, in the Dacca district, will commence on the 21st November 1882 A. D. corresponding with the 9th Aashvayan 1289 B. S., and continue up to the 6th January 1883. Traders, men, dealers, and others may buy and sell there during these six weeks.

E. V. WESTMACOTT, Magistrate of Dacca.

## Forest Department, Bengal, Sunderbuns Division.

## NOTICE

BY order of the Deputy Magistrate of Barrishat, a sundri dingee, confiscated under provision of section 56 of the Indian Forest Act, will be sold by public auction on Saturday, the 8th July, at 11 A. M. The boat is now in Tolley's Nullah, moored just below the Kidderpore bridge, where it can be inspected.

2. The purchaser of the dingee will be required to deposit 25 per cent. of his bid, and the dingee is not to be removed until the balance is paid up. At the expiration of three days from date of sale, if the dingee is not removed, it will be re-sold at the risk of the original purchaser.

## The Indian Law Reports.

Published under Authority of the Governor-General in Council.

THE Reports appear in monthly parts, published as soon as possible after the first of each month at Calcutta, Madras, Bombay, and Allahabad, and will comprise four series.—one for the Calcutta High Court, a second for the Madras High Court, a third for the Bombay High Court, and a fourth for the Allahabad High Court. The cases heard by the Privy Council on appeal from each High Court will be reported in the Series for that High Court. Cases heard by the Privy Council on appeal from Provinces in India not subject to any High Court will be reported in the Calcutta Series. The Parts of each series can be had separately, or all four Parts can be had stitched into one wrapper at the option of subscribers and purchasers. It will be observed from the following statement of the terms of subscription and sale, that a considerable reduction is allowed to persons taking the complete set.

Terms of subscription, payable annually in advance.

##### DISTRICT ROAD FUND.

NOTIFICATION No. 278.

*The 10th July 1882.*

THE following annual accounts and abstracts of the reports of the Road Cess Committees of Monghyr, Bhagulpore, Purneah, Maldah and Sonthal Pergunnahs districts, for the cess year 1880-81, together with the remarks thereon of the Commissioner of the Bhagulpore Division, are published for general information.

G. F. E. S. NEILL, Major, M.S.C.,

*Asst. Secy. to the Govt. of Bengal, P. W. Dept.*

*Abstract of a Report by the Chairman of the District Road Committee, Monghyr, on the Committee's operations for the Cess year 1880-81.*

The Road Cess Act has worked well, and the collections were satisfactory, being 95 per cent of the demand for the year. The greater part of the outstanding balances of the previous years was realized during the year.

All the meetings held during the year were attended by sufficient number of members, and a quorum was always formed. The members residing in the interior rarely attended any meeting, and some of them have attended no meeting since their appointment. The attendance of the members of the Branch Committees is also not favourably reported on, and some of them evinced little or no interest in the business of the Committee.

The district and village roads have been repaired, maintained and put into proper condition.

The different establishments under the Committee have generally worked well.

*Abstract of a Report by the Chairman of the District Road Committee, Bhaugulpore,  
on the Committee's operations for the cess year 1880-81.*

ACT IX (B.C.) of 1880 has been in operation in this district for so short a period that it would be premature to offer any remarks on its working. The only fact worth noticing is that much larger arrears of cesses occurred during the year under report than in any other previous year. The Chairmen of most of the Branch Committees report, however, that the people are well satisfied with the working of the Act, and have come to view the payments of the cess as a not unendurable burden, and one which certainly gives them considerable advantages.

The Branch Committees have worked remarkably well during the year. They have opened many new village roads, and expended almost the whole of the allotments made to them for such roads.

The planting of trees on roadsides is making satisfactory progress, and all trees are thriving well. Several nurseries have been kept up and are well cared for.

The progress made towards carrying out the original works has been very satisfactory. A large number of the works in hand have been completed during the year, while on the rest very nearly the whole of the amount allotted has been expended. Very good progress has also been made under the head of "Repairs," and almost the whole of the allotments under that head have been expended, leaving a small balance at the end of the year under report.

The several establishments under the Committee appear to have worked well.

E. TAYLER,

Vice-Chairman, District Road  
Cess Committee, Bhagulpore.

*Abstract of a report by the Chairman of the District Road Committee, Purneah, on the Committee's operations for the cess year 1880-81.*

The Act has worked well, and the people appreciate the improved communications in the district.

Most of the members have shown an interest in the transactions of the Committee. The average attendance of the members was fair, but the absence of some from all the meetings is not a satisfactory feature. There was no quorum at one of the meetings held at Kissengunge and at one held at Arrarea. The working of the Committee was on the whole satisfactory.

The condition of the district roads is not what it ought to be, but the Branch Committees paid due attention to the repairs of the village roads.

Some 600 trees were planted out during the year and the fences of existing trees repaired. Nine nursery gardens are kept up.

The several establishments under the Committee have generally given satisfaction.

PURNDAH,

*The 6th February 1882.*

J. PRATT,

*Vice-Chairman, District Road Committee.**Abstract of a report by the Chairman of the District Road Committee, Mulda, on the Committee's operations for the cess year 1880-81.*

The Cess Act has on the whole worked smoothly during the year. The net amount of cess demand stood at Rs. 26,108, and the collections amounted to Rs. 22,990, the percentage of total collections on the current demand being Rs. 93 l.

Six meetings were held during the year, and all were presided over by the Chairman. Those members who reside in the interior have been very irregular in attendance, and there are some who have never attended any meeting.

The district and village roads have been repaired and kept in good order.

The trees planted last year on the roads from English Bazar to Amerti and to Nawabgunge have been nursed, and those which died during the year were replaced by new trees.

The various establishments under the Committee have done their work satisfactorily.
